(510) 290-8409

(530) 747-3811

[Personal Website](#)[Mind-Emotion Development Lab Website](#)

Department of Psychology
University of California, Davis
One Shields Avenue
Davis, CA 95616

Center for the Mind and Brain
University of California, Davis
202 Cousteau Place
Davis, CA 95616

Education

2020 (Expected) Ph.D., Developmental Psychology
University of California, Davis
Advisor: Kristin Hansen Lagattuta, Ph.D.

2013 B.A., Psychology
University of California, Davis
with Highest Honors and Departmental Citation
Advisor: Kristin Hansen Lagattuta, Ph.D.

2009-2011 Humboldt State University

Recognitions, Honors, and Funding

2017 Summer Research Fellowship
University of California, Davis

2015-2017 Predoctoral Training Consortium in Affective Science
National Institute of Mental Health

2015, 2017 Student Travel Award
Society for Research in Child Development

2015, 2016 Graduate Research Fellowship Honorable Mention
National Science Foundation

2013, 2014, 2015 Dukes Fund Travel Award
University of California, Davis

2015 Institute for Social Sciences Summer Research Award
University of California, Davis

2014-2015 Provost's First Year Graduate Fellowship
University of California, Davis

2012-2013 Dean's List: Spring Quarter 2012, Fall Quarter 2012, Winter Quarter 2013
University of California, Davis

2011-2012 Rita and Gaet Scholarship
University of California, Davis

2009-2011 President's Award
Humboldt State University

Review Articles

Kramer, H.J., & Lagattuta, K.H. (in press). Affective forecasting. In M.H. Bornstein, M.E. Arterberry, K.L. Fingerman, & J.E. Lansford (Eds.), *SAGE Encyclopedia of Lifespan Human Development*. (pp. XXX-XXX). Thousand Oaks, CA: SAGE.

Lagattuta, K.H., **Kramer, H.J.**, Kennedy, K., Hjortsvang, K., Goldfarb, D., & Tashjian, S. (2015). Beyond Sally's missing marble: Further development in children's understanding of mind and emotion during middle childhood. *Advances in Child Development and Behavior*, 48, 185-217. doi: 10.1016/bs.acdb.2014.11.005

Empirical Articles

Lagattuta, K.H., Tashjian, S.M., & **Kramer, H.J.** (under review). Does the past shape anticipation for the future? Contributions of age and executive function to advance theory of mind.

Lara, K.H., Lagattuta, K.H., & **Kramer, H.J.** (in press). Is there a downside to anticipating the upside? Children's and adults' reasoning about how prior expectations shape future emotions. To appear in *Child Development*.

Goldfarb, D., Lagattuta, K.H., **Kramer, H.J.**, Kennedy, K., & Tashjian, S.M. (in press). When your kind cannot live here: How generic language and criminal sanctions shape social categorization. To appear in *Psychological Science*. doi: 10.1177/0956797617714827

Bouffard, N., Stokes, J., **Kramer, H.J.**, & Ekstrom, A.D. (2017). Temporal encoding strategies result in boosts to free recall performance comparable to spatial ones. *Memory and Cognition*, advanced online publication. doi: 10.3758/s13421-017-0742-z

Kramer, H.J., Goldfarb, D., Tashjian, S.M., & Lagattuta, K.H. (2017). "These pretzels are making me thirsty:" Older children and adults struggle with induced-state episodic foresight. *Child Development*, 88, 1554-1562. doi: 10.1111/cdev.12700

Lagattuta, K.H., & **Kramer, H.J.** (2017). Try to look on the bright side: Children and adults can (sometimes) override their tendency to prioritize negative faces. *Journal of Experimental Psychology: General*, 146, 89-101. doi: 10.1037/xge0000247

Lagattuta, K.H., Elrod, N.M.*, & **Kramer, H.J.*** (2016). How do thoughts, emotions, and decisions align? A new way to examine theory of mind in middle childhood and beyond. *Journal of Experimental Child Psychology*, 149, 116-133. doi: 10.1016/j.jecp.2016.01.013

*Equal author contribution

Kramer, H.J., Lagattuta, K.H., & Sayfan, L. (2015). Why is happy-sad more difficult? Focal emotional information impairs inhibitory control in children and adults. *Emotion*, 15, 61-72. doi: 10.1037/emo0000023

Conference Presentations (Talks)

Kramer, H.J., Hjortsvang, K., & Lagattuta, K.H. (April, 2017). I knew I would lose that game: Hindsight bias for negative and positive events in children and adults. Presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Lagattuta, K.H., **Kramer, H.J.**, Hjortsvang, K., & Kennedy, K. (April, 2017). How children and adults infer others' anticipatory emotions based on their prior experiences. Presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

- Hjortsvang, K., Lagattuta, K.H., & **Kramer, H.J.** (March, 2016). I'm sure I will not win the big teddy bear: Children's and adults' reasoning about how expectations shape emotions. Presented at the Annual Meeting of the Society for Affective Sciences, Chicago, IL.
- Lagattuta, K.H., & **Kramer, H.J.** (October, 2015). Developing awareness that the mind generalizes from the past when imagining the future. Presented at the Biennial Meeting of the Cognitive Development Society, Columbus, OH.
- Goldfarb, D., Lagattuta, K.H., Kennedy, K., **Kramer, H.J.**, & Tashjian, S. (March, 2015). When social group membership is criminal: The impact of generic language and laws on social categorization. Presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.
- Kramer, H.J.**, Goldfarb, D., Tashjian, S.M., & Lagattuta, K.H. (March, 2015). "Because he will be thirsty from yesterday." Even older children and adults struggle with affective future forecasting. Presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.
- Lagattuta, K.H., **Kramer, H.J.**, & Sayfan, L. (March, 2015). Desirability biases forecasting for self more than others: Contributions of age and inhibitory control. Presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.

Conference Presentations (Posters)

- Kramer, H.J.**, Lagattuta, K.H., Goldfarb, D., Tashjian, S.M., & Kennedy, K. (October, 2017). Do children and adults use a dichotomizing heuristic when reasoning about social groups? Developmental changes and effects of generic language. To be presented at the Biennial Meeting of the Cognitive Development Society, Portland, OR.
- Lara, K.H., Lagattuta, K.H., & **Kramer, H.J.** (October, 2017). Development in considering mathematical probability when forming expectations. To be presented at the Biennial Meeting of the Cognitive Development Society, Portland, OR.
- Hjortsvang, K., Lagattuta, K.H., & **Kramer, H.J.** (April, 2017). When a pencil is not just a pencil: Older children and adults consider prior expectations when reporting affective states. Presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.
- Hjortsvang, K., **Kramer, H.J.**, & Lagattuta, K.H. (April, 2017). Surprise! Surprising insights into developmental changes in identifying who is surprised. Presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.
- Kennedy, K., Lagattuta, K.H., **Kramer, H.J.**, & Hjortsvang, K.H. (April, 2017). Thinking about a party of five: Children's and adults' reasoning about mental diversity in a group of minds. Presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.
- Kramer, H.J.**, & Lagattuta, K.H. (April, 2017). What will you remember about me? Children's and adults' recall of negative and positive social interactions. Presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.
- Hjortsvang, K., Lagattuta, K.H., & **Kramer, H.J.** (March, 2016). Children's and adults' reasoning about how expectations shape emotions. Presented at the Positive Emotions Preconference at the Annual Meeting of the Society for Affective Science, Chicago, IL.
- Kramer, H.J.**, & Lagattuta, K.H. (March, 2016). The influence of emotional stimuli on inhibitory control in children and adults: Developmental differences and continuities. Presented at the Annual Meeting of the Society for Affective Science, Chicago, IL.

- Kennedy, K., Lagattuta, K.H., Goldfarb, D., **Kramer, H.J.**, & Tashjian, S.M. (January, 2016). Social categorization and perceived legal fairness in a criminal context: A developmental investigation. Presented at the Annual Convention of the Society for Personality and Social Psychology, San Diego, CA.
- Hjortsvang K., Lagattuta, K.H., & **Kramer, H.J.** (October, 2015). Are there costs to high expectations? Children's and adults' reasoning about how expectations shape emotions. Presented at the Biennial Meeting of the Cognitive Development Society, Columbus, OH.
- Kramer, H.J.**, & Lagattuta, K.H. (October, 2015). The impact of emotional stimuli on inhibitory control in children and adults. Presented at the Biennial Meeting of the Cognitive Development Society, Columbus, OH.
- Hjortsvang, K., Lagattuta, K.H., **Kramer, H.J.**, & Sayfan, L. (April, 2015). How children use past emotional events to forecast mental states: Links to anxiety and biased attention. Presented at the Annual Conference of the Society for Affective Science, Oakland, CA.
- Kramer, H.J.**, Lagattuta, K.H., & Sayfan, L. (April, 2015). Using eye tracking to investigate children's and adults' perspective taking in emotional situations. Presented at the Annual Conference of the Society for Affective Science, Oakland, CA.
- Elrod, N., Lagattuta, K.H., **Kramer, H.J.**, & Sayfan, L. (March, 2015). Linking thought, emotion, and decision: A developmental perspective on forming coherent mental state triads. Presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.
- Hjortsvang, K., Lagattuta, K.H., **Kramer, H.J.**, & Sayfan, L. (March, 2015). Both anxiety and a negative attention bias independently predict differences in children's past-to-future reasoning. Presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.
- Kramer, H.J.**, Lagattuta, K.H., & Sayfan, L. (March, 2015). Where should I look to know how you feel? Using eye tracking to investigate the development of simulating another's perspective. Presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.
- Tashjian, S.M., Lagattuta, K.H., **Kramer, H.J.**, & Sayfan, L. (March, 2015). Contributions of age and executive function to children's past-to-future reasoning in social situations. Presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.
- Kennedy, K., Lagattuta, K.H., **Kramer, H.J.**, & Sayfan, L. (May, 2014). Children's and adults' reasoning about when past experiences bias interpretations. Presented at the Jean Piaget Society Meeting, San Francisco, CA.
- Kramer, H.J.**, Lagattuta, K.H., & Sayfan, L. (May, 2014). Using eye tracking to measure inhibitory control in children and adults: A nonverbal happy-sad task. Presented at the Jean Piaget Society Meeting, San Francisco, CA.
- Kramer, H.J.**, Lagattuta, K.H., & Sayfan, L. (October, 2013). The impact of emotional information on executive function in children and adults. Presented at the Biennial Meeting of the Cognitive Development Society, Memphis, TN.

Teaching Experience

Fall 2017 Teaching Assistant for PSC 141 (Cognitive Development)
Professor: Katherine Graf Estes, Ph.D.
Reader for PSC 192 (Fieldwork in Psychology)
Professor: Kristin Hansen Lagattuta, Ph.D.

Professional Service

2017-Present Ad Hoc Reviewer for *Developmental Psychology*
2015-2017 Developmental Psychology Colloquium Student Coordinator
University of California, Davis
Area Head: Simona Ghetti, Ph.D.
2015-2016 Graduate Student Mentor
UC Davis Undergraduate Research Mentorship Program
